雌馬一哩賽日 – 2026 年 10 月 9 日
Fillies' Mile Day – 9 October 2026

英國新市場馬場 – 草地 - 好地

Newmarket Racecourse, United Kingdom – Turf - Good

今日賽事焦點

今日新市場Rowley Mile採用草地好地，GoingStick為6.5，昨晚雨後草面較濕潤，加上風勢較強，早段步速、途中遮擋及最後上斜時能否保持速度，預計會是重要因素。現階段未有足夠實戰證據確認哪一側跑線特別有利，因此不宜單憑檔位高低決定取捨。

全日投注策略集中在兩場冷門P。首場S1-1選6號「進無止境」，雖然評分只有56分，但後勁與部分主要實力馬相若，41.5倍下有博冷空間。S1-6則選4號「得力幫手」及10號「不羈引誘」，分別有59.67倍及22倍，兩匹均需要合適的遮擋和發力時機配合，才有機會跑入前列。

其餘六場均不建議下注，但仍有值得注意的賽事形勢。S1-3的1號「美之境」在評分與賠率比較上明顯突出；S1-4大熱門6號「妙曲韶光」雖有評分優勢，後勁卻是全場最弱；S1-7的10號「意區逸氣」亦有評分接近、賠率較闊及預計走位較主動的條件。尾場S1-8的11號「納米科學」則同時具備最高評分、前列走位及強勁後勁，是Q分析中較清晰的做膽選擇。

S1-1 | 干威利錦標

6號「進無止境」只有56分，但有41.5倍，後勁與主要實力馬相若，策略取P博冷。

S1-2 | 好機靈錦標

12號「遠洋冒險」69分，有12.67倍，是主要W候選；3號「暗裡事」16倍兼後勁較強，屬P候選，但本場不建議下注。

S1-3 | 挑戰錦標

1號「美之境」76分全場最高，後勁並列最好，卻有12.5倍；大熱門5號「百達繁花」只有39分，評分與賠率的落差值得注意。

S1-4 | 雌馬一哩賽

6號「妙曲韶光」77分領先，但1.49倍已非常熱，後勁亦是全場最弱；3號「嚴禁煙火」較有條件利用前列走位與末段持續力構成威脅。

S1-5 | 古羅利盃

9號「衝破網羅」與1號「崖邊美區」同評62分，但輕17磅兼有16.33倍，是W候選中的冷門馬；本場策略仍是不下注。

S1-6 | 布狄莎錦標

4號「得力幫手」59.67倍及10號「不羈引誘」22倍，分別憑後勁及走位條件尋求冷門機會，策略同取P。

S1-7 | 自豪錦標

16號「雲上曲」78分全場最高，是主要W候選；10號「意區逸氣」只低4分，預計走位較前兼後勁更強，13.33倍下是主要P候選。

S1-8 | 香港賽馬會全球匯合彩池讓賽

11號「納米科學」76分全場最高，預計守前兼後勁並列最好，是Q分析中較有說服力的做膽馬。

Meeting Highlights

Newmarket's Rowley Mile is officially Good, with a GoingStick reading of 6.5 following overnight rainfall. Strong winds and the demanding uphill finish should make cover, efficient pace distribution and sustained finishing speed especially important. No firm advantage for a particular lane or draw position can yet be established.

The day's actionable selections are concentrated in two races, both involving speculative Place bets. In the Cornwallis Stakes, Never Enough is selected at estimated odds of 41.50 despite a relatively modest rating, with comparable finishing strength to several more prominent contenders. In the Boadicea Stakes, Cherry Baker at 59.67 and Rogue Attraction at 22.00 offer two separate outsider Place opportunities, although both will require favourable race circumstances.

Several other races contain notable analytical opportunities without meeting the strategy requirements for a bet. Holguin holds a substantial ratings advantage over the favourite in the Challenge Stakes, while the Fillies' Mile presents a contrast between Musical Times' dominant rating and her weak finishing profile. The Pride Stakes also features Lizzana, whose prominent projected position, respectable rating and stronger finishing ability make her an interesting alternative to the market leaders.

The closing HKJC World Pool Handicap provides one of the clearest Quinella assessments, with Nanoscience combining the highest rating with an expected prominent position and joint-best finishing strength. Nevertheless, the actionable strategy remains No Bet for that race.

S1-1 | Cornwallis Stakes

Never Enough is rated only 56 but offers 41.50, with finishing strength comparable to some higher-rated rivals. He is the strategy Place selection.

S1-2 | Oh So Sharp Stakes

Sea Venture is a Win candidate at 12.67, while Dark Issue is the principal Place candidate at 16.00 with a stronger finishing profile than similarly rated Chasing Daylight. No Bet.

S1-3 | Challenge Stakes

Holguin's rating of 76 and joint-best finishing strength stand out at 12.50, especially against 2.67 favourite Flora Of Bermuda, who is rated only 39. No Bet.

S1-4 | Fillies' Mile

Musical Times has a clear ratings advantage but is exceptionally short at 1.49 despite the weakest finishing profile. Forbidden Fire offers a more balanced tactical challenge. No Bet.

S1-5 | Old Rowley Cup

Liberate receives a 17lb weight advantage over equally rated Archers Bay and offers 16.33, making him an interesting outsider in the wider Win selection range. No Bet.

S1-6 | Boadicea Stakes

Cherry Baker at 59.67 and Rogue Attraction at 22.00 are the two strategy Place selections, both needing suitable cover and a well-timed challenge to outperform their longer odds.

S1-7 | Pride Stakes

Song Of The Clouds is the highest-rated Win candidate, but Lizzana is rated only four points lower and offers superior finishing strength at 13.33. Lizzana is the principal Place candidate in a No Bet race.

S1-8 | HKJC World Pool Handicap

Nanoscience combines the highest rating of 76 with a prominent projected position and joint-best finishing strength, providing a clear Quinella foundation in the closing race. No Bet.

英國新市場馬場場地分析 — 2026 年 10 月 9 日

場地狀況：草地 - 好地 | GoingStick 6.5 | 早段乾燥有風，其後轉多雲，賽事期間或有微雨 | 風勢較大

今日新市場採用 Rowley Mile 賽道，草地官方評為好地，早上錄得 GoingStick 6.5，昨晚有約5毫米雨量，預計賽事期間仍可能再有約1毫米微雨。雨水令草面較為濕潤，地面未必如乾爽快地般爽利，但目前仍屬好地範圍，不能單憑雨量便視作軟地。Rowley Mile 擁有長達約2000米的直路，末段在最後400米附近開始出現較明顯的高低起伏，進入最後約200米須重新上斜衝刺。馬匹即使在下坡階段容易加速，亦需要有足夠平衡力及持續速度，才能在上斜時保持走勢。今日使用看台一側賽道，閘廂置於中央位置，沿途跑線選擇及風勢影響均值得注意。

今日較重要的戰術因素，是長直路、上斜終點及大風可能同時增加末段消耗。領放馬若早段過度搶放，即使轉入最後400米仍然領先，也可能在下坡後的上斜階段明顯減速；相反，能在前列或中間位置取得遮擋、保持均勻步速的馬匹，可以保留較多力量應付最後衝刺。居中及留後馬有較長直路逐步推進，不必過早急於移出，但若前領馬控制步速而場地又保持良好承托力，單靠最後200米才發力仍可能追趕不及。今日風勢較大，走外疊而長時間缺乏遮擋會增加消耗，騎師需要在取得清晰跑線與避免過早食風之間作出取捨，尤其要留意馬匹進入起伏路段時能否維持平衡及步幅。

今日賽程涵蓋1000、1200、1400、1600、2000及2400米，各路程對走位的要求有所不同。1000及1200米均在直路上競逐，1000米全程較短，早段能迅速進入競賽節奏、守住合適位置尤其重要，但過早催策亦容易在最後上斜時失速；1200米則給予後上馬稍多時間逐步加速。1400及1600米的直路足夠長，居中馬可先取得遮擋，待步速穩定後逐步移出推進，毋須在早段為爭位耗力。2000米更重視途中步速分配及末段持續力，而2400米須先經右彎再進入長直路，外檔馬能否在轉彎前找到合適位置及遮擋，比單看檔位號碼更重要。今日閘廂置中，不能直接認定高檔或低檔佔優；大批馬匹可能選擇不同直路跑線，尤其1400米參賽馬較多，更要留意主馬群分布及哪一側能保持較佳走勢。隨着賽事進行，中央及看台側跑線的實際承托力亦可能出現變化。

今日較有效率的跑法，暫時以早段不過度耗力、途中有遮擋、最後400米仍能持續加速為基礎。1000及1200米較重視起步與早段守位，1400至2000米則容許居中馬利用長直路逐步追近，但必須有足夠後勁應付最後上斜；2400米更考驗全程步速控制、轉彎慳位及持續衝刺能力。早上雨後的好地配合較強風勢，意味今日不宜單以前領或後上跑法判斷優劣。首場1000米可初步觀察中央與看台側跑線的速度表現，其後兩場1400米則有助確認較長途程的步速及後上形勢。若後續雨勢增強，或騎師逐漸集中使用某一側跑線，今日的有利位置亦可能隨之改變。

Newmarket Racecourse Track Analysis – 9 October 2026

Track Condition: Turf - Good | GoingStick 6.5 | Initially dry and windy, becoming cloudy with possible light showers | Windy

Newmarket's Rowley Mile is officially rated Good, with a GoingStick reading of 6.5 following approximately 5mm of overnight rainfall. A further 1mm of rain is possible during racing. The overnight moisture should provide some give in the ground without necessarily producing genuinely soft conditions, although the surface may ride less sharply than it would on dry, fast ground. The Rowley Mile features a straight of approximately ten furlongs, with undulations becoming particularly significant in the closing stages. Runners descend through the Dip before climbing again over the final furlong, making balance, stride maintenance and sustained finishing speed essential. The stands-side course is in use, with starting stalls positioned centrally. These arrangements, together with the potentially strong winds, will be important when assessing how the racing surface performs across different sections of the track.

Race tactics should be influenced by the combination of a long straight, an uphill finish and potentially

demanding wind conditions. Front-runners that expend too much energy establishing an early advantage may become vulnerable when the track rises towards the finish, particularly if they have accelerated aggressively approaching the Dip. Horses racing prominently or in midfield with sufficient cover should be better placed to conserve energy before making a sustained challenge. The extended straight gives patiently ridden horses time to build momentum, although those held too far back can still struggle if the leaders establish an uncontested pace. Wind exposure is another consideration: runners travelling without cover may incur additional physical demands, even on a relatively sound surface. Riders will need to balance securing a clear passage with preserving enough energy for the uphill finish, rather than committing their mounts too early.

Today's programme includes races over five, six, seven, eight, ten and twelve furlongs, each presenting a different tactical challenge. The five-furlong sprint places considerable emphasis on a clean start, early positioning and the ability to maintain speed through the closing climb. Six furlongs provides slightly greater scope for runners to recover from an initially restrained position, although the leaders may still be difficult to catch if the pace is controlled. Over seven furlongs and a mile, the long uninterrupted straight allows midfield runners to obtain cover before progressively improving, making positioning and the timing of the challenge more significant than simply racing close to the pace. The ten-furlong event places greater emphasis on economical early fractions and sustained acceleration, while the twelve-furlong race also requires runners to negotiate a right-handed bend before entering the straight. Wide-drawn runners in that contest may need to expend additional energy securing position or risk covering extra ground around the turn. With the stalls positioned centrally, neither low nor high draws should automatically be treated as advantageous. The location of the principal pace, group formation and the relative condition of the central and stands-side lanes will help determine whether a meaningful draw or lane preference develops.

The most practical starting assessment is to favour efficient energy distribution, suitable cover and the ability to sustain acceleration through the final two furlongs. Early positioning is particularly important over five and six furlongs, while seven-furlong, mile and ten-furlong races give midfield runners more opportunity to progress gradually, provided they possess sufficient finishing strength. Over twelve furlongs, conserving ground around the bend and avoiding unnecessary early exertion should become more influential. The combination of overnight rain and strong winds makes it premature to assume a definite advantage for front-runners, hold-up horses or any particular lane. The opening five-furlong contest should offer an initial indication of the relative speed of different sections of the straight, with the subsequent seven-furlong races providing further evidence about pace, cover and finishing patterns. Any additional rain, developing surface wear or consistent movement towards one side of the course could alter the most effective racing tactics as the meeting progresses.

選馬範圍 Selection Range: P: 6, WP: 9, Q: 2+9+5+11+7
投注策略 Strategy Bets: 6P
黑馬 Dark Horses: 6, 9, 7
後上馬 Back Marker: 10, 1 | 11, 3, 8, 4, 13, 12 | 7, 2, 6, 5 | 9 | |

分析 Verdict:

6號「進無止境」評56分，雖然與最高評分馬有18分距離，但有41.5倍，排2檔，預計可以守在中間位置附近，後勁與2號「風入山裡」及5號「先知勇伴」相若。今日1000米直路賽較重視早段守位及末段能否保持速度，牠若能跟住主馬群取得遮擋，不必在早段額外耗力，最後上斜仍有機會追近。以41.5倍而言，P值得博冷。

9號「天鎧甲」評74分並列全場最高，只負126磅，比2號輕3磅，兩匹實力接近，但2號只有3.39倍，9號則有11.5倍，賠率差距明顯。9號預計守在中間位置，雖然後勁較弱，若過早催策，最後上斜會較吃力，但評分優勢配合11.5倍，仍是WP候選中值得留意的一匹。

2號「風入山裡」同評74分，預計居中競走，排5檔有機會跟隨主馬群取得遮擋。布宜學主轡，今日1000米不宜過早搶放，牠若能在中段順利找到跑線，保留力量應付最後200米，仍是Q做膽最有評分根據的一匹。

11號「捷徑快途」評68分，預計可以跟前競走，後勁比2號及9號更強。莫艾誠主轡，排4檔亦有機會跟住前列馬群，若早段不必與領放馬鬥快，可以保留力量應付最後上斜。7.17倍下，是兩匹最高評分馬以外最值得重視的Q對手。

5號「先知勇伴」評66分，排1檔，但預計位置較後，1000米途程未必有足夠時間由後追近。7號「擊無瑕疵」評59分，22倍有冷門空間，預計可以守在中間位置，但排13檔要留意能否跟住主馬群，避免長時間迎風競走。

賽事取向：6號是P博冷對象，9號在WP候選中亦值得留意；Q則以2號做膽。

Q取向：Q以2>11+9+5為主，7冷拖2、11。

投注策略：6號P。

No.6 Never Enough is an interesting outsider at 41.50 despite a rating of only 56, eighteen points below the joint leaders. Drawn in stall 2, he is projected to race around midfield and has finishing strength comparable to No.2 Flann Sunna and No.5 Mussab. If Kieran Shoemark can secure cover and avoid unnecessary early exertion, Never Enough could still be finishing strongly through the uphill final furlong. At those odds, he is the strategy Place selection.

No.9 Armor Supreme shares the highest rating of 74 and carries 3lb less than Flann Sunna. Their estimated odds of 11.50 and 3.39 represent a substantial difference for two equally rated runners. Armor Supreme is expected to settle around midfield, although a weaker finishing profile makes the timing of the challenge important. He remains the leading Win/Place candidate outside the actionable strategy.

No.2 Flann Sunna is also rated 74 and should be able to track the main group from stall 5. William Buick will need to conserve energy rather than force an aggressive early position, but the colt's rating advantage over most of the field makes him the most reliable Quinella banker.

No.11 Fast Track is rated 68 but offers a more favourable combination of early positioning and finishing strength. Oisin Murphy should be able to race close enough to the leaders from stall 4 without becoming involved in an unnecessary early contest. At 7.17, he is a particularly credible Quinella partner.

No.5 Mussab has a useful rating of 66 and starts from stall 1, although his projected position is relatively far back for a five-furlong sprint. No.7 Perfect Strike is a potential outsider at 22.00, but stall 13 makes cover and group positioning especially important in windy conditions.

Race View: No.6 is the speculative Place selection, while No.9 remains a notable Win/Place candidate. No.2 is preferred as the Quinella banker.

Q View: No.2 with 11, 9 and 5 forms the main approach, with No.7 included as an outsider alongside 2 and 11.
Strategy Bets: No.6 Place.

S1-2

好機靈錦標，三級賽，草地，1400米

投注策略 Strategy Bets: 本場不建議下注。No Bet.

黑馬 Dark Horses: 12, 3, 2, 16

後上馬 Back Marker: 7, 9, 15 | 14, 5, 11, 4, 3, 13, 1 | 16 | 2, 12, 8 | |

分析 Verdict:

12號「遠洋冒險」評69分，與5號「金環」相同，只比最高評分的14號「熱極」低2分，但有12.67倍。布宜學主轡，排8檔，預計位置較14號及5號稍後，早段可以先取得遮擋，留力在長直路逐步推進。不過牠的後勁不及兩匹主要對手，必須在最後400米前開始追近，不能等到上斜才全力衝刺。12.67倍下，是W候選中值得留意的一匹。

3號「暗裡事」評67分，與2號「追日逐光」相同，但3號有16倍，2號只有6.67倍。3號預計居中競走，後勁

亦比2號強，毋須在早段與前領馬爭位。1400米有足夠直路逐步推進，只要途中保持遮擋，16倍下具備爭入前列的條件，是P方向值得留意的冷門馬。

14號「熱極」以71分居全場首位，預計可以守在前列，後勁亦有水準。莫艾誠主轡，由1檔起步，若能跟住主要馬群控制早段步速，不必為爭取領先過度耗力，進入最後400米仍有條件維持走勢。今日風勢較大，取得遮擋尤其重要，牠仍是Q最值得倚重的一匹。

5號「金環」評69分，與14號只差2分，排2檔兼由莫雅策騎，預計同樣可以守在前列附近。兩匹走位相近，5號若能在14號附近取得遮擋，長直路上有時間逐步加速，而且後勁與14號相若，8.25倍下是最主要的Q對手。

2號「追日逐光」評67分，預計走得較前，但後勁較弱，若早段與14號鬥快會增加末段壓力。16號「彩寶鑽石」評53分，14.67倍，後勁比2號及12號稍好，但排15檔，須留意能否及早跟住馬群取得遮擋，兩匹均可作次要配腳。

賽事取向：12號是主要W候選，3號則是P方向值得留意的一匹；14號及5號仍是Q的主要實力馬。

Q取向：Q以14>5+3+12為主，2、16再拖14、5。

投注策略：本場不建議下注。

No.12 Sea Venture is rated 69, level with Golden Ring and only two points below top-rated Sweltering, yet offers 12.67. William Buick rides from stall 8, with the filly expected to settle farther back than the principal pace runners. A covered passage should allow her to conserve energy, although her finishing profile is less convincing than those of the two leading ratings rivals. She will need to make ground progressively rather than rely on a late burst. She is the principal Win candidate in the wider selection range.

No.3 Dark Issue also deserves attention at 16.00. He shares a rating of 67 with No.2 Chasing Daylight, who is quoted at 6.67, yet Dark Issue has the stronger finishing profile. His projected midfield position should allow Pat Dobbs to conserve energy and build a challenge through Newmarket's long straight. He is the main Place candidate in the broader assessment.

No.14 Sweltering heads the ratings on 71 and is projected to race prominently. Oisin Murphy should have the opportunity to establish a suitable position from stall 1, although staying with the main group and obtaining cover will matter more than the draw alone. Her combination of tactical speed and respectable finishing strength makes her the leading Quinella choice.

No.5 Golden Ring is only two rating points behind and should also race close to the pace. With Ryan Moore aboard from stall 2, she may be able to track the leading group without working excessively hard. Her finishing strength is comparable to Sweltering's, and the estimated 8.25 makes her a strong Quinella partner.

No.2 Chasing Daylight has the benefit of a prominent projected position but may be exposed if the early tempo becomes demanding. No.16 Topaz possesses a somewhat better finishing profile than Chasing Daylight and Sea Venture, although stall 15 raises the importance of securing suitable cover in the wind.

Race View: No.12 is the principal Win candidate and No.3 the Place candidate in the wider assessment, while 14 and 5 remain the key Quinella contenders.

Q View: No.14 with 5, 3 and 12 is preferred, with 2 and 16 added as secondary partners to 14 and 5.

Strategy Bets: No Bet.

投注策略 Strategy Bets: 本場不建議下注。No Bet.
黑馬 Dark Horses: 1
後上馬 Back Marker: 3, 1, 2 | 6, 5 | | 4 |

分析 Verdict:

1號「美之境」評76分全場最高，比次席4號「伺機而轉」高6分，但兩匹賠率分別為12.5倍及4.5倍。1號預計守在中間位置，後勁更與3號及2號並列全場最好。排2檔兼由駱知季策騎，只要途中取得遮擋，便可利用長直路逐步推進，最後上斜仍有力衝刺。12.5倍下，值得比賠率反映的熱度更加重視。

4號「伺機而轉」評70分，布宜學主轡，屬另一匹評分明顯佔先的馬。牠預計留得較後，後勁卻是全場最弱，今日1400米雖有足夠直路逐步追近，但不能等到最後200米才開始發力。若能在進入最後400米前改善位置，仍是1號最主要的Q對手。

5號「百達繁花」只有39分，評估賠率卻低至2.67倍，與1號的76分及12.5倍形成明顯反差。牠預計亦會居中偏後，後勁不算突出，要在上斜前追近並不容易。3號「證人台」評43分，預計可以領放，後勁則與1號並列最好；若早段步速放得順，有機會對後上馬構成壓力，但論整體評分仍與1號有明顯距離。

Q取向：Q以1－4為主。

投注策略：本場不建議下注。

No.1 Holquin holds the highest rating of 76, six points clear of No.4 Time To Turn. Despite that advantage, his estimated odds are 12.50 compared with Time To Turn's 4.50. Holquin also shares the strongest finishing profile in the field and should be able to settle around midfield from stall 2. With Callum Rodriguez aboard, a covered

passage followed by a progressive challenge through the long straight would give him a particularly attractive opportunity.

No.4 Time To Turn remains the principal danger on ratings. Charlie Appleby's runner is expected to settle farther back, while his finishing-strength figure is the weakest in this six-runner field. William Buick will therefore need to improve his position before the final uphill furlong rather than depend on a short late acceleration. His rating of 70 nevertheless keeps him firmly in the Quinella picture.

No.5 Flora Of Bermuda is the shortest-priced runner at 2.67 despite a rating of only 39. Her projected midfield-to-rear position and unexceptional finishing profile make that assessment difficult to reconcile with Holguin's substantial ratings advantage. No.3 Witness Stand could influence the race from the front and possesses strong finishing ability, but is rated considerably below Holguin.

Q View: The preferred pairing is No.1 Holguin with No.4 Time To Turn.
Strategy Bets: No Bet.

選馬範圍 Selection Range: Q: 6+3+5+7

投注策略 Strategy Bets: 本場不建議下注。No Bet.

黑馬 Dark Horses: 5

後上馬 Back Marker: 8 , 4 , 1 | 3 , 2 , 7 | 5 | | 6

分析 Verdict:

6號「妙曲韶光」評77分全場最高，比3號「嚴禁煙火」高9分，艾柏賓派布宜學主轡，實力最受肯定。不過1.49倍已相當熱，牠預計居中競走，後勁更是全場最弱。今日新市場一哩直路最後須上斜，若途中未能取得遮擋，或者過早催策，末段會受到較大考驗。評分優勢仍令牠成為主要爭勝馬，但不能忽略賠率與後勁上的取舍。

3號「嚴禁煙火」評68分，排1檔，預計可以守在前列附近，後勁明顯比6號強。莫艾誠主轡，若能在前列取得遮擋，待步速穩定才逐步發力，最後400米有條件保持走勢。6.92倍下，是對抗大熱門最值得重視的一匹。

5號「飛兔雷馳」評53分，與7號「叛逆情熱」相同，但5號有16倍，7號只有5.5倍。5號預計可以領放或守在最前列，早段位置較7號主動，後勁亦比大熱門6號稍好。今日風勢較大，不宜過度搶放；若杜俊誠能控制步速，讓牠保留力量應付最後上斜，16倍下有機會跑入前兩名。

7號「叛逆情熱」同評53分，預計留在較後位置，後勁則比5號更強。1600米長直路容許牠逐步追近，但若前領馬放得順，留得太後便要提早推進。5.5倍與5號的16倍相比，賠率差距明顯，因此Q次序暫放在5號之後。

Q取向：Q以3—6為主，5再拖3、6，7輕帶3、6。

投注策略：本場不建議下注。

No.6 Musical Times is the clear ratings leader on 77, nine points ahead of No.3 Forbidden Fire. William Buick rides for Charlie Appleby, and the filly has a substantial ability advantage on the available figures. However, an estimated 1.49 is exceptionally short considering her weakest-in-field finishing-strength profile. Expected to race around midfield, she will need to conserve energy and avoid making her challenge prematurely on Newmarket's demanding straight.

No.3 Forbidden Fire offers a more balanced tactical profile. Rated 68, she is expected to race prominently from stall 1 and has considerably stronger finishing figures than the favourite. Oisin Murphy should have the opportunity to secure cover and produce her challenge progressively. At 6.92, she is the most compelling alternative to Musical Times.

No.5 Lex Victoria and No.7 Rogue Passion both rate 53, yet their estimated odds are 16.00 and 5.50 respectively. Lex Victoria is projected to race much closer to the pace and possesses a better finishing profile than Musical Times. James Doyle must avoid using too much energy into the wind, but a controlled early lead could leave her with enough in reserve to challenge for a place in the first two.

Rogue Passion has the stronger finishing profile of the two similarly rated runners, although her projected position is significantly farther back. The mile gives Rossa Ryan time to improve, but she cannot afford to leave the challenge until the final furlong if the leaders have conserved their energy. Her shorter odds make her a secondary Quinella consideration behind Lex Victoria.

Q View: No.3 with 6 is the principal pairing. No.5 is the next partner to both 3 and 6, with No.7 included more lightly alongside the same two runners.

Strategy Bets: No Bet.

黑馬 Dark Horses: 9, 2
後上馬 Back Marker: 5, 4, 3 | 11, 2, 10, 1 | 6, 7 | | 9 |

分析 Verdict:

9號「衝破網羅」評62分，與1號「崖邊美區」相同，但只負118磅，比1號輕17磅；兩匹賠率分別為16.33倍及4.4倍。9號預計守在中間位置，早段毋須刻意搶位，只要能取得遮擋，輕磅有助減少長途消耗。牠雖然後勁全場最弱，最後上斜仍是考驗，但2400米較講求全程步速分配，若能一直留力至直路，仍有機會挑戰主要對手。16.33倍下，是W候選中值得留意的冷門馬。

6號「重口音」評74分全場最高，負128磅，預計可以守在中間位置，不必在早段與前領馬爭位。今日2400米須先經右彎再進入長直路，途中慳位及步速分配尤其重要。莫艾誠由7檔起步，若能在轉彎前逐步切入取得遮擋，末段便可保留力量應付上斜。6.5倍下是Q最值得重視的一匹。

2號「十載光景」評69分，只比6號低5分，排3檔較易在第一彎慳位。牠預計留得較後，但後勁比6號強，2400米有足夠時間逐步改善位置。負132磅較6號重4磅，最後衝刺需要保持步幅，不過6.58倍與6號相若，是最直接的Q對手。

1號「崖邊美區」由莫雅策騎，評62分，後勁比9號強，但負135磅全場最重，排10檔亦增加轉彎前找位的難度。牠預計可以守在中間偏前位置，若能及時切入，仍有爭入前兩名的條件；只是4.4倍已較熱，負磅及走位均不能忽略。

5號「研文解字」評55分，排1檔而且後勁與3號及4號並列全場最好，若沿途慳位、直路順利移出，亦有機會對主要候選構成威脅。

賽事取向：9號是W方向值得留意的冷門馬，6號則是Q較有評分根據的做膽選擇。

Q取向：Q以6>2+9+1為主。

投注策略：本場不建議下注。

No.9 Liberate presents an interesting outsider at 16.33. Rated 62, the same as No.1 Archers Bay, Liberate carries just 118lb against Archers Bay's 135lb. A midfield position with cover could allow Luke Morris to take advantage of that significant weight concession over the demanding 2400m trip. The weakest finishing profile in the field is a concern, but economical early fractions could help preserve enough energy for a challenge. Liberate is the Win candidate in the wider assessment.

No.6 Turty Tree tops the ratings on 74 and carries 128lb. Oisin Murphy is expected to settle the runner around midfield, an approach that should help conserve energy before the long home straight. From stall 7, securing cover ahead of the right-handed bend will be more important than the draw itself. At 6.50, Turty Tree is the leading Quinella selection.

No.2 Decade Of Time is rated 69 and drawn in stall 3, giving George Bass the opportunity to save ground around the first bend. The runner is expected to settle farther back but possesses greater finishing strength than Turty Tree. Carrying 132lb adds to the demands of the closing climb, although the 2400m distance provides ample time to improve progressively. At 6.58, this is the most direct opponent.

No.1 Archers Bay has a stronger finishing profile than Liberate and Ryan Moore aboard, but the combination of top weight and stall 10 could make obtaining a covered position before the bend more demanding. The runner remains a genuine Quinella contender, although the shorter odds leave less allowance for those tactical difficulties.

No.5 Study Of Words also warrants some respect outside the main pairing preferences. Stall 1 offers an opportunity to save ground, while the runner shares the strongest finishing profile in the field, despite a lower rating of 55.

Race View: No.9 is the speculative Win candidate in the wider selection range, while No.6 is preferred as the Quinella banker.

Q View: No.6 with 2, 9 and 1 forms the preferred Quinella approach.

Strategy Bets: No Bet.

黑馬 Dark Horses: 4, 10, 8, 12, 1

後上馬 Back Marker: 7, 3, 5, 6, 9 | 8, 11, 10 | 4, 13, 1 | | 14, 12 |

分析 Verdict:

4號「得力幫手」評40分，與最高評分的8號「躍升女士」及14號「禪意姬」有34分差距，但評估賠率高達59.67倍。牠排4檔，後勁與13號「美絕群星」及1號「鳳舞風中」相若，並非純粹依賴早段位置的馬。今日1200米直路賽在風勢較強之下，若能跟住主馬群取得遮擋，減少途中消耗，末段仍有機會憑持續走勢爭取位置。59.67倍下P可以博冷，但牠的評分差距仍然明顯，須靠合適形勢發揮。

10號「不羈引誘」評61分，有22倍，比4號高21分，而且後勁更強。牠排12檔，預計可以守在中間位置附近，若莫萊斯能跟住主要馬群取得遮擋，避免在風中過早催策，最後400米有機會逐步推進。相對於兩匹賠率不足4倍的熱門馬，22倍下P同樣值得博冷。

8號「躍升女士」評74分並列全場最高，預計可以守在前列附近，後勁亦比另一匹同評74分的14號「禪意姬」更強。莫雅主轡，排10檔，今日1200米直路賽既要守住合適位置，也要避免過早迎風發力。若能跟在前領馬後面取得遮擋，待最後400米才逐步推進，10.67倍下仍是主要爭勝馬，亦是Q值得倚重的一匹。

14號「禪意姬」同評74分，由黎應揚策騎，排6檔，預計位置與8號相近。牠的主要問題是後勁較弱，若早段需要額外耗力，最後上斜可能較難維持速度。不過評分仍是全場最高，7.75倍下不能忽視，是W候選及主要Q對手之一。

13號「美絕群星」評68分，只有3.63倍，排13檔，預計位置較8號及14號稍後。牠後勁不及8號，但比14號強，若能跟住馬群留力，1200米直路仍有時間逐步追近。以目前評分與賠率比較，8號更值得重視，但13號仍是主要爭位分子。

1號「鳳舞風中」評67分，只有2.85倍，是全場最熱一匹。牠預計居中偏後，後勁與13號相若，但評分比8號低7分，賠率卻明顯較熱。若前列馬控制步速而沒有過早消耗，牠需要在最後400米前及時追近，Q可保留，但主次放在8號之後。

12號「幽怨清聲」評63分，有19倍，預計可以守在中間位置，較兩匹熱門有機會早一步展開攻勢。不過牠與14號同樣後勁較弱，必須靠途中慳力及適當的發力時機，才有機會以冷門身份跑入前兩名。

賽事取向：14號是W候選，8號在WP候選中最值得重視；4號及10號則是P方向的冷門投注對象。

Q取向：Q以8>13+14+1為主，12冷拖8、13。

投注策略：4號P、10號P。

No.4 Cherry Baker is rated only 40, some 34 points below the joint ratings leaders, but her estimated odds are 59.67. From stall 4, she may be able to find a covered position within the main group, while her finishing profile is comparable to those of No.13 The Prettiest Star and No.1 Dance In The Storm. A suitable pace and an economical passage would give her some chance of staying on into the places. The ratings deficit is substantial, but at such long odds she is one of the two strategy Place selections.

No.10 Rogue Attraction has a stronger rating of 61 and a better finishing profile than Cherry Baker. Quoted at 22.00 and drawn in stall 12, she is expected to race around midfield. Luke Morris will need to avoid prolonged wind exposure and time her challenge carefully, but she could make ground over the final two furlongs if she remains covered through the early stages. She is the second strategy Place selection.

No.8 Lady Youmzain shares the highest rating of 74 and is expected to race relatively close to the pace. Her finishing strength is superior to that of the equally rated No.14 Zen Diva, while the estimated 10.67 compares favourably with several shorter-priced rivals. Ryan Moore will need to find cover from stall 10 and avoid committing too early, but she has a strong combination of tactical positioning and finishing ability. She remains the leading Win/Place candidate in the broader assessment and the preferred Quinella banker.

No.14 Zen Diva also rates 74 and should occupy a similar early position. Rossa Ryan rides from stall 6, with the opportunity to remain close to the principal pace. Her comparatively weak finishing profile raises doubts about sustaining an extended challenge through the final climb, although her joint-leading rating makes her an important Quinella contender. She is also the Win candidate in the wider selection range.

No.13 The Prettiest Star is rated 68 and quoted at 3.63. Expected to settle farther back than Lady Youmzain, she has a stronger finishing profile than Zen Diva but does not match Lady Youmzain in that respect. James Doyle may be able to bring her into contention progressively, making her a serious Quinella opponent despite the relatively short odds.

No.1 Dance In The Storm is even shorter at 2.85 despite a rating of 67, seven points below Lady Youmzain. Her projected midfield-to-rear position means Oisin Murphy must judge the timing of the challenge carefully, particularly if the leaders maintain a controlled pace. She remains a credible Quinella contender, but the ratings and finishing comparison favour Lady Youmzain.

No.12 Sing The Blues is an outsider at 19.00 with a rating of 63. Her projected position could allow an earlier challenge than some of the market leaders, although a weaker finishing profile means conserving energy through the first half of the race will be important.

Race View: No.14 is the Win candidate and No.8 the leading Win/Place candidate in the broader assessment. The actual Place selections are the longer-priced 4 and 10.

Q View: No.8 with 13, 14 and 1 is the main approach, with No.12 an outsider alongside 8 and 13.

Strategy Bets: No.4 Place and No.10 Place.

黑馬 Dark Horses: 16, 10, 11, 1
後上馬 Back Marker: 9, 14, 3, 12, 2 | 10, 5, 11, 6, 17, 4, 1, 8 | | 15 | 16

分析 Verdict:

16號「雲上曲」評78分全場最高，范奕倫主轡，排4檔，預計可以守在中前位置，早段走位較主動。不過牠的後勁全場最弱，今日新市場最後上斜對末段持續力有要求，若早段走得太急，可能在最後200米失速。評分優勢仍令牠成為主要爭勝馬，亦是W候選中最有評分根據的一匹，但6.42倍下不能只憑最高評分便忽略末段風險。

10號「意區逸氣」評74分，只比16號低4分，但有13.33倍，後者則為6.42倍。10號預計可以走在前列，排5檔，由顧安年策騎，後勁亦明顯比16號強。今日2000米重視途中步速分配，若早段不用過度搶放，能在前列取得遮擋留力，進入最後400米仍有條件保持速度。13.33倍下，是P候選中最值得留意的一匹，Q次序亦值得提高。

17號「兔輪」評76分，只比16號低2分，布宜學主轡，評估賠率3.98倍。牠排16檔，預計位置較後，但後勁明顯比16號強。2000米有足夠時間逐步追近，關鍵是能否在主馬群後面取得遮擋，避免長時間迎風；若能在最後400米前改善位置，仍具爭勝條件。

15號「銀鏡麗湖」評70分，賠率4.01倍，與17號相若，但後勁僅比16號強。牠預計守在中間偏後位置，若前領馬放得順，末段未必容易追近。論評分及後勁配合，10號及17號的條件更值得重視，15號在Q配搭中放較次要位置。

11號「訊息同步」評53分，有10.67倍，只負127磅，預計可以守在中間位置，後勁比兩匹最高評分馬中的16號更強。1號「法語區」同評53分，但負131磅兼預計位置較後，雖然後勁亦不俗，仍需要更合適的步速協助。兩匹之中，11號較值得優先考慮，1號則可冷拖。

賽事取向：16號是主要W候選，10號則是P方向最值得留意的一匹；Q以10號做膽。

Q取向：Q以10>16+17+11為主，15再拖10、16，1冷拖10、16。

投注策略：本場不建議下注。

No.16 Song Of The Clouds leads the ratings on 78 and is expected to race in a relatively forward position. That gives Cieren Fallon a tactical opportunity, but the weakest finishing-strength profile in the field is a significant consideration over this demanding 2000m course. She remains the principal Win candidate on ratings, although her performance will depend on conserving sufficient energy for the uphill finish.

No.10 Lizzana is rated 74, only four points below Song Of The Clouds, yet offers 13.33 against 6.42. Her projected prominent position and materially stronger finishing profile provide a persuasive alternative to the ratings leader. From stall 5, Marco Ghiani should aim to establish a controlled rhythm with cover before asking her to sustain a challenge over the final two furlongs. She is the main Place candidate in the wider assessment and the preferred Quinella banker.

No.17 Touleen is rated 76 and has William Buick aboard. Drawn in stall 16 and expected to settle farther back, she will need a covered passage before building momentum through the straight. Her finishing profile is appreciably stronger than Song Of The Clouds', and the distance should provide sufficient time for a progressive challenge. At 3.98, she is a major threat, although shorter-priced than both Lizzana and the ratings leader.

No.15 Silver Lake is rated 70 and quoted at 4.01, close to Touleen's estimated odds. However, her finishing strength is weaker than most of the principal contenders apart from Song Of The Clouds. From a projected midfield-to-rear position, she could struggle if the leaders conserve their energy. She remains in the Quinella picture but is given lower priority.

No.11 On Message is rated 53 and carries 127lb, with a projected midfield position and respectable finishing strength. At 10.67, she is worth considering as an additional Quinella partner. No.1 Francophone shares the same rating but carries 4lb more and is expected to settle farther back, making her more dependent on a favourable pace.

Race View: No.16 is the principal Win candidate on ratings, while No.10 is the preferred Place candidate and Quinella banker.

Q View: No.10 with 16, 17 and 11 is preferred. No.15 is a secondary addition alongside 10 and 16, while No.1 is a more speculative partner to those same two runners.

Strategy Bets: No Bet.

分析 Verdict:

11號「納米科學」評76分全場最高，預計可以守在最前列，後勁更與13號、1號、4號及14號並列全場最好。莫艾誠主轡，排5檔，早段有機會取得主動位置。今日1400米長直路較重視途中遮擋及末段持續速度，牠只要不用過度搶放，便可在最後400米保留足夠力量再加速。5.83倍下是最值得倚重的Q做膽馬。

7號「馬國獅雄」評70分，僅次於11號，預計守在中間偏後位置，後勁亦強。雖然排13檔兼負136磅，比11號重5磅，但1400米有時間逐步尋找遮擋，毋須在早段急於爭位。易健寧若能讓牠跟住主馬群，避免過早迎風發力，最後上斜仍有條件追近。4.63倍下是11號最主要的Q對手。

12號「調酒師」評69分，只比7號低1分，卻有13.33倍，而且只負130磅，比7號輕6磅。排3檔，預計居中競走，後勁與7號相若，若布宜學能讓牠跟住主馬群取得遮擋，最後400米可逐步推進。兩匹賠率差距明顯，12號亦值得在Q配搭中重視。

3號「正裝上陣」評61分，有13倍，排6檔，後勁與7號及12號相若。牠預計留得較後，負137磅亦較重，需要步速配合，不能在最後200米才開始追趕。不過若早段步速偏快，能讓牠在直路中段逐步追近，仍可爭入前兩名。

6號「命之掌舵」評50分，有14.67倍，預計守在中間偏後位置，後勁不及3號及7號，但比5號「縱逸浪子」強。牠負136磅，若途中能取得遮擋，仍有機會在長直路逐步追近，適合作冷門Q腳。

5號「縱逸浪子」評68分，莫雅主轡，賠率7.75倍，但排15檔，預計留在馬群最後，後勁亦是全場最弱。今日1400米雖有長直路可供追趕，但如果早段落後太遠，最後上斜未必足以彌補失地。牠仍有一定評分根據，但Q配搭的次序應放在11號、7號及其他後勁較強的對手之後。

Q取向：Q以11>7+12+3為主，6冷拖11、7，5輕帶11、7。

投注策略：本場不建議下注。

No.11 Nanoscience is the highest-rated runner on 76 and is projected to race among the leaders. He also shares the strongest finishing profile in the field, giving him an unusually favourable combination of early positioning and sustained speed. Oisin Murphy should be able to establish a prominent position from stall 5, and a controlled pace with suitable cover would leave him well placed to accelerate through the closing climb. At 5.83, he is the leading Quinella banker.

No.7 Lion Of Mali is rated 70 and has a strong finishing profile. Drawn in stall 13 and carrying 136lb, he is expected to settle farther back than Nanoscience. David Egan will need to keep him covered and build momentum progressively rather than expose him to the wind too early. The long 1400m straight should provide time to challenge, making him Nanoscience's principal Quinella opponent.

No.12 Mister Mojito is rated 69, only one point behind Lion Of Mali, yet offers considerably longer estimated odds of 13.33 against 4.63. He also carries 6lb less and has comparable finishing strength. From stall 3, William Buick should be able to seek cover around midfield before asking for a sustained challenge. That combination merits serious consideration in the Quinella.

No.3 Waistcoat is rated 61 and quoted at 13.00. His finishing profile is comparable to those of Lion Of Mali and Mister Mojito, although he carries 137lb and is expected to settle relatively far back. He would benefit from a demanding early pace that allows him to improve gradually through the straight.

No.6 Commander Of Life is rated 50 but offers 14.67 and has a better finishing profile than No.5 George Wickham. A covered midfield-to-rear position could give him an opportunity to finish into contention, although the ratings deficit leaves him as a more speculative Quinella partner.

No.5 George Wickham is rated 68 and has Ryan Moore aboard, but his projected position is the farthest back in the field and his finishing-strength figure is the weakest. Even over Newmarket's extended straight, that combination makes him vulnerable if the leaders establish a controlled pace. He remains a lower-priority Quinella inclusion rather than a preferred partner.

Q View: No.11 with 7, 12 and 3 is the main approach. No.6 is an outsider alongside 11 and 7, while No.5 is included more lightly with those same two runners.

Strategy Bets: No Bet.

如何閱讀《MA288 海外賽事分析》（快速參考）

建議按以下次序閱讀，先掌握整體賽事環境，再逐步了解個別馬匹的分析重點。

建議閱讀順序：

1. 場地分析

- 了解當日場地、天氣及跑道狀況。
- 留意哪些跑法及走位條件較有利發揮。

2. 市場評估與黃色標示

- 比較不同市場對各駒的評價差異。
- 黃色底代表市場之間出現較明顯的不同看法，可作進一步觀察。

3. Est. Perc（賽事層面指標）

- 用作理解整場賽事的整體不確定性。
- 此指標反映賽事層面，並非個別馬匹的實力評分。

4. 評分與紅色字

- 評分主要用作同場馬匹之間的相對比較。
- 紅色字代表不同分析角度出現較一致的訊號。

5. 跑法與走位圖

- 顯示馬匹過往較常見的跑法及預計位置。
- 建議配合當日場地分析一併閱讀。

6. 精選提供與黑馬

- 綜合評分、賽事形勢及不同分析指標整理出的重點觀察對象。
- 可配合前述各項資料，快速掌握值得留意的馬匹。

How to Read the MA288 Overseas Racing Analysis (Quick Reference)

For the clearest overview, start with the overall race conditions before moving on to individual runners and key observations.

1. Track Analysis

- Review the day's track, weather and surface conditions.
- Identify which running styles and race positions may be better suited to the conditions.

2. Market Assessment & Yellow Highlights

- Compare how different markets assess each runner.
- Yellow highlights indicate notable differences in market assessment and may warrant closer attention.

3. Est. Perc (Race-Level Indicator)

- Helps indicate how open or uncertain the race appears overall.
- This is a race-level measure and does not represent the strength of any individual runner.

4. Ratings & Red Text

- Ratings are intended for relative comparison between runners in the same race.
- Red text highlights areas where different analytical perspectives show stronger agreement.

5. Running Style & Position Charts

- Show each runner's typical racing pattern and likely position.
- These are best interpreted together with the Track Analysis.

6. Selections & Long Shots

- Key runners identified from the overall analysis, race conditions and supporting indicators.
- Use these alongside the preceding sections to quickly identify runners that merit closer attention.
