ma288.com

秋華賞賽馬日 – 2026 年 10 月 18 日

Shuka Sho Day – 18 October 2026

日本京都競馬場 – 草地 - 快地 | 泥地 - 好地

Kyoto Racecourse, Japan – Turf - Firm | Dirt - Standard

今日賽事焦點

京都今日草地使用A跑道，場地維持快地，預計有利馬匹保持速度，但未有足夠證據確認內欄或較外跑線存在明顯優勢。2000米內圈直路較短，早段守位及轉彎前的推進時機特別重要；1600米及2400米外圈則讓居中或留後馬有較多時間發揮後勁。

全日最值得留意的賠率落差集中在S4-5及S4-7。S4-5的4號「假面花」有24倍，後勁較兩匹主要熱門之一的8號強，WP值得支持。S4-7秋華賞則由8號「絕色飛步」以79分領先，但1.3倍已極熱；6號「美風景」只低5分，後勁較強，11倍下是W策略選擇。3號「新貴傑作」後勁全場最好，亦是重要Q對手。

泥地賽事方面，S4-3的2號「贏家寶兒」後勁全場最好，9號「反斗星」則有較主動的預計走位，兩匹都值得支持WP。S4-6的7號「福至運來」以51倍作P冷門，S4-8的9號「笙歌夜宴」則有26倍，兩匹都需要步速配合才能充分發揮後勁。

全日八場中，首兩場兩歲新馬賽均不建議下注；其餘六場有明確投注策略，涵蓋WP、W、P及Q。尤其S4-7的六匹Q互穿與S4-8的五匹Q互穿，涵蓋的組合較多，應與其他集中做膽的Q策略分開理解。

- S4-1 | 3號「情深愛厚」評分最高但1.93倍偏熱；4號「繁星海」負磅較輕，屬較值得觀察的P候選。本場不下注。

- S4-2 | 4號「出雲大山」79分居首，7.83倍比多匹低評分熱門合理；18號外檔風險較高。本場不下注。

- S4-3 | 2號「贏家寶兒」後勁全場最好，9號「反斗星」走位較主動，兩匹均有WP策略。

- S4-4 | 5號「樂威霸」評分明顯佔優，Q以5號做膽，1號及12號各具不同走位條件。

- S4-5 | 4號「假面花」雖非最高評分，但後勁較熱門8號強，24倍下WP值得博冷。

- S4-6 | 7號「福至運來」只有48分，後勁卻與最高評分9號同組，51倍下P值得博冷。

- S4-7 | 秋華賞8號「絕色飛步」1.3倍極熱，6號「美風景」有11倍兼後勁較強，是主要W選擇。
- S4-8 | 9號「笙歌夜宴」後勁較主要Q候選強，若早段步速偏快，26倍下有機會後上爭P。

Meeting Highlights

Kyoto's firm turf and relatively dry dirt conditions place considerable importance on positioning, energy conservation and the timing of acceleration. The inner turf circuit, especially over 2000m, is less forgiving of runners left too far behind entering the straight. The outer 1600m and 2400m courses provide greater opportunities for a sustained finishing effort. No decisive inside-versus-outside turf bias has yet been established.

The clearest contrast between market expectations and the selections comes in S4-5 and the Shuka Sho. Alonsoa is rated below the market leaders but has a better finishing profile than Sardine Run, making his odds of 24 interesting for Win/Place. In the Shuka Sho, Monroe Walk holds the highest rating and an advantageous projected position, yet her odds of 1.30 are exceptionally short. La Belle Scene, with stronger finishing ability and odds of 11, is the preferred Win selection.

On dirt, Jakarta Bao and Gonta offer complementary Win/Place prospects in S4-3. Fukukita Tailor in S4-6 and Kitano Soiree in S4-8 are longer-priced Place selections whose chances depend partly on the race tempo developing favourably.

The first two newcomer races carry No Bet decisions. The remaining six races have defined betting strategies, with some Q selections concentrated around a banker and others using broader combinations. The Shuka Sho six-horse box and S4-8 five-horse box are the widest combinations on the programme.

- S4-1: Bindung heads the ratings but is very short at 1.93. Mer D'Etoiles offers an alternative Place angle. No Bet.
- S4-2: Hoki Fuji leads the ratings at 79 and is more appealing at 7.83 than several lower-rated rivals. No Bet.
- S4-3: Jakarta Bao has the strongest finishing ability, while Gonta should race closer to the pace. Both are Win/Place selections.
- S4-4: Lloyd Webber has a clear ratings advantage and is the Quinella banker, with Long Holiday and Eterno Legame among his important partners.
- S4-5: Alonsoa has stronger finishing ability than the short-priced Sardine Run and is the Win/Place outsider at 24.
- S4-6: Fukukita Tailor shares a strong finishing group with top-rated Hosho Lux, making him a speculative Place selection at 51.
- S4-7: Monroe Walk is extremely short at 1.30. La Belle Scene offers a stronger-priced Win alternative at 11, with Master Soarer providing a major finishing threat.
- S4-8: Kitano Soiree has superior finishing strength to the principal Q runners and could benefit from a strong early pace. Place at 26.

場地分析 — 2026 年 10 月 18 日

場地狀況：草地 - 快地 | 泥地 - 好地 | 天晴

京都今日草地使用 A 跑道，內欄設於最內位置，草地及泥地均保持良好狀態。昨日草地緩衝值達 10.8，屬略硬水平，終點前及第四彎含水率分別只有 6.8% 及 7.7%。昨日雖有灌溉，但未有錄得雨量，預料今日草地仍然較乾爽，地面承托力足，馬匹容易保持步幅，賽事時間有望偏快。京都的主要特色是第三彎附近上斜、轉入第四彎逐漸下坡，最後直路則大致平坦，有利馬匹借下坡之勢逐步加速，但過早發力亦容易影響末段持續速度。內圈直路只有約 328 米，外圈則約 404 米，兩者對跑法要求有明顯分別。現時內圈第三至第四彎沿欄已有輕微磨損，其餘草地大致良好，暫未有足夠證據顯示需要刻意避開內欄。泥地方面，砂層維持約 9 厘米，昨日含水率偏低，乾爽地面較重視馬匹本身的速度與持續推進能力，外疊走多路程的消耗亦不能忽視。

今日草地跑法要分清楚內、外圈的差別。1400 米及 2000 米採用內圈，直路較短，早段能夠守在前列或中前位置、沿途慳位的馬匹較容易掌握主動；留後馬若等到入直路才開始追趕，可能已經失去太多距離。1600 米及 2400 米使用外圈，較長的直路讓居中馬有更多時間逐步加速，但第三彎上斜後接下坡，騎師仍要避免太早催策，否則容易在最後一百米減速。快地有利保持速度，卻不代表領放馬必然着數，若前段步速過快，能夠跟前、有遮擋而保留後勁的馬匹反而較有利。泥地則需要兼顧早段速度及途中慳力，尤其 1400 米由草地起步，初段容易出現較快步速；走外疊兼缺乏遮擋的馬匹，即使能夠跟上，末段亦可能因消耗較多而轉弱。

檔位影響方面，草地 1400 米有一定距離讓馬匹在入彎前尋找位置，但內圈直路較短，外檔若無法及早切入，仍然容易蝕位。2000 米由終點直路起步，距離第一彎較短，尤其今日第 11 場秋華賞有 17 匹參賽，外檔馬若要搶前，可能需要額外消耗；若留後尋求遮擋，又要考慮較短直路能否追回失地。1600 米外圈由後直路延伸起步，入彎前有較充足空間調整位置，檔位影響相對取決於步速及能否取得遮擋。2400 米外圈則更重視途中節奏及第三彎前後的推進時機，不宜單憑早段位置判斷優劣。泥地 1200 米較重視出閘及搶佔位置，1400 米起步後有約 610 米才進入第三彎，外檔有時間尋求切入，而且起步草地路段較長，未必必然吃虧；1800 米則較快進入第一彎，外檔若未能切入，容易在首個彎位已經走多路程。草地 A 跑道已連續使用多個賽日，內圈彎位沿欄的磨損值得留意，但目前不能將局部磨損直接視為整條內欄不利。

今日較合理的基準，是草地內圈重視早段守位及末段加速能力，外圈則容許居中馬利用較長直路逐步推進。1400 米與 2000 米尤其需要避免入直路時落後太遠，而 1600 米與 2400 米的後上馬，只要步速配合、途中未有過度消耗，仍有足夠空間發揮後勁。泥地 1200 米偏重起步速度，1400 米需要留意前段會否過快，1800 米則以守位、慳位及持續速度較為重要。今日草地維持快地，預計仍有利於跑出較快時間，但內圈沿欄與稍外跑線的實際差距，要特別留意第 3、5、6 場草地賽事的走勢，以及馬匹入直路後在哪條跑線最能保持速度；若居中或留後馬能連續沿較外跑線追近，便需要重新評估現時以慳位守好位置為主的判斷。

Kyoto Racecourse Track Analysis – 18 October 2026

Track Condition: Turf - Firm | Dirt - Standard | Sunny

Kyoto races on the A turf course today, with the inside rail at its innermost setting. Both surfaces are in generally good condition. Saturday's turf cushion reading of 10.8 indicated a relatively firm surface, while moisture measurements of 6.8% near the winning post and 7.7% at the fourth turn reflected limited moisture. Irrigation was carried out on Saturday, but no rainfall was recorded, leaving a strong prospect of fast turf conditions and relatively efficient stride maintenance. Kyoto's defining feature is its rise approaching the third turn, followed by a downhill section through the fourth turn and a largely level home straight. Horses can build momentum descending towards the straight, although those committed too early risk losing speed late. The inner turf course has a home straight of approximately 328 metres, compared with 404 metres on the outer course, creating important tactical differences. Minor wear has developed along the inside of turns three and four on the inner course, but the remainder of the turf remains broadly

sound. This does not yet establish an outside-lane advantage. The dirt surface has been maintained at a sand depth of approximately 9 centimetres, with low moisture readings on Saturday. Its relatively dry condition makes early speed, sustained momentum and avoiding unnecessary ground loss particularly relevant.

Race positioning will be especially important on the inner turf circuit, used for today's 1400-metre and 2000-metre races. The shorter home straight gives prominent runners and horses travelling just behind the leaders an opportunity to maintain their positions, while those racing towards the rear may need to begin improving before the field enters the straight. The outer circuit, used over 1600 and 2400 metres, provides more room for midfield runners to accelerate progressively. However, the climb towards the third turn and the subsequent descent require careful timing. Horses accelerating too aggressively downhill may struggle to sustain their finish. Firm turf can support fast early fractions, but that does not automatically favour leaders. When early pressure is strong, runners securing cover just behind the pace may have a more efficient race and retain greater finishing speed. On dirt, a similar balance applies between establishing position and conserving energy. The 1400-metre course begins on turf, potentially encouraging a fast opening pace, while wide runners without cover risk expending additional energy before reaching the home straight.

Distance and starting position create distinct challenges throughout today's programme. Over 1400 metres on the inner turf, runners have some opportunity to establish their positions before the turn, but wide draws remain vulnerable when they lead to prolonged three-wide or four-wide trips. The 2000-metre inner course starts on the home straight with a relatively short approach to the first turn. This becomes particularly important in the 17-runner Shuka Sho, where wide-drawn horses may have to choose between using early speed to secure position or settling further back to obtain cover. Over 1600 metres on the outer turf, the extended approach to the first turn provides more flexibility, making a horse's running style and the anticipated pace more important than its draw alone. The 2400-metre outer course allows more time to settle, conserve ground and make a gradual advance, with stamina and the timing of acceleration over the final two turns becoming critical. On dirt, the 1200-metre races place a premium on breaking sharply and securing a competitive early position. The 1400-metre start includes approximately 150 metres of turf, with a longer turf section for outside runners and roughly 610 metres before the first turn, giving wider draws opportunities to establish position without immediately being forced wide. The 1800-metre course presents a different challenge, as runners approach the first turn much sooner, increasing the importance of an economical early route. Repeated racing on the A turf course also warrants attention to any developing difference between the inside and slightly wider lanes, particularly around the inner circuit's final turns.

The working expectation for today is that efficient positioning and the ability to finish strongly will be particularly valuable on the inner turf course. Over 1400 and 2000 metres, runners settling in the first half of the field should generally face a more manageable task than deep closers relying on a single late acceleration. The longer outer-course straight over 1600 and 2400 metres offers midfield and held-up runners greater opportunity, provided the early pace supports their finishing efforts and they have not lost excessive ground. On dirt, early speed is especially significant over 1200 metres, while the potential for a strongly contested opening phase makes the 1400-metre races more sensitive to pace pressure. The 1800-metre races should reward economical positioning and the ability to sustain speed. Firm turf conditions support the prospect of fast race times, but actual lane efficiency remains to be established. Particular attention should be paid to the third, fifth and sixth races, assessing whether runners can continue finishing effectively along the rail or whether horses moving into wider lanes repeatedly make stronger late progress. Such evidence would be more meaningful than assuming that the existing minor wear on the inner circuit has already produced a decisive track bias.

S4-1

投注策略 Strategy Bets: 本場不建議下注。No Bet.

黑馬 Dark Horses: 2

後上馬 Back Marker: —

分析 Verdict:

3號「情深愛厚」評65分全場最高，排3檔，由戶崎圭太策騎。2000米內圈起步後不久便要轉彎，內檔較容易慳位，但1.93倍已相當熱。1號「年輕有財」只低1分，排1檔由坂井瑠星主轡，同樣有利沿途慳位，兩匹實力評估相當接近。

4號「繁星海」同評64分，只負121磅，比上述兩匹少2磅，4.87倍亦較合理。排4檔不難尋求合適位置，在P候選中較值得留意。

2號「夢見環球」只有32分，與前三匹評分差距明顯，但排2檔有利減少走位消耗，17倍下可以作冷門觀察。不過今場全部都是初出馬，實際步速及跑法未有足夠依據，難以單憑檔位確認哪匹會取得最佳位置。

賽事取向：4號是較穩妥的P候選，2號屬冷門觀察對象。

投注策略：本場不建議下注。

No.3 Bindung heads the ratings on 65 and has a favourable draw in stall 3. However, the estimated odds of 1.93 leave limited room for uncertainty in a race restricted to newcomers. No.1 Young Rich is rated only one point lower and starts from the inside stall, potentially saving ground around Kyoto's inner 2000m circuit.

No.4 Mer D'Etoiles shares a rating of 64 with Young Rich but carries 2lb less. Her 4.87 odds make her a more interesting Place candidate, particularly if Kohei Matsuyama can establish an economical position.

No.2 Dream Earth is considerably lower-rated at 32, although stall 2 and odds of 17 offer some outsider interest. With no established racing patterns among these debutants, early positioning and the likely tempo remain difficult to assess reliably.

Race View: No.4 is the more appealing Place candidate, while No.2 merits outsider consideration.

Strategy Bets: No Bet.

選馬範圍 Selection Range: W: 4+18, Q: 18+4+5+6+7+1

投注策略 Strategy Bets: 本場不建議下注。No Bet.

黑馬 Dark Horses: 18, 5, 6, 1

後上馬 Back Marker: —

分析 Verdict:

4號「出雲大山」79分全場最高，由李慕華策騎，排4檔亦較容易在早段尋找合適位置。京都1400米使用內圈，最後直路較短，能否及早守位相當重要。雖然仍屬初出馬，未能確定實際跑法，但以7.83倍及目前評分而言，4號是W候選中較值得留意的一匹。

18號「法島南岬」評60分，有20.33倍，但排18檔是明顯考驗。此程入彎前尚有一定距離調整位置，若能逐步切入取得遮擋，仍有機會爭取較好名次；若早段一直走外疊，在短直路追回失地便較困難。作為另一匹W候選，需要保留較大戒心。

5號「熒惑似火」71分，只比最高評分低8分，排5檔兼有25倍。與熱門7號「波斯太子」相比，後者只有61分，賠率卻已低至2.57倍，兩匹評分與賠率的差異值得注意。5號在Q配搭中應較受重視。

1號「軒車駿馬」69分，排1檔有利慳位，10倍下亦具競爭力。7號雖然評分不及主要對手，但排7檔不算太差，仍可保留作Q腳。

6號「俏皮王女」只有28分，51倍反映其冷門身份；缺乏明確跑法證據支持，Q只能放在較次要位置。

賽事取向：4號是較佳W候選；18號雖有冷門機會，但外檔增加走位難度。

Q取向：Q以4>5+1+7為主，18、6冷拖4號。

投注策略：本場不建議下注。

No.4 Hoki Fuji tops the ratings at 79 and is partnered by Christophe Lemaire. Stall 4 should offer a reasonable opportunity to find an economical early position, an important consideration over Kyoto's inner 1400m course. At estimated odds of 7.83, he is the more interesting of the two Win candidates, although his actual racing style remains untested.

No.18 Pertusato is the other Win candidate at 20.33, but the extreme outside stall presents a significant challenge. There is some time to move across before the turn, yet a prolonged wide passage would make it difficult to recover ground in the short home straight.

No.5 Piena Mars is rated 71 and offered at 25, making him particularly interesting against No.7 Sehzade, whose rating is only 61 despite much shorter odds of 2.57. The gap between their ratings and prices makes Piena Mars an important Quinella contender.

No.1 Bashauma, rated 69, benefits from stall 1 and deserves inclusion among the principal Q runners. Sehzade remains a possible contender, while No.6 Meme Yancha Hime, rated only 28, is a much more speculative outsider.

Race View: No.4 leads the Win candidates, with No.18 facing a difficult outside draw.

Q View: No.4 over Nos.5, 1 and 7, with Nos.18 and 6 as more speculative partners for No.4.

Strategy Bets: No Bet.

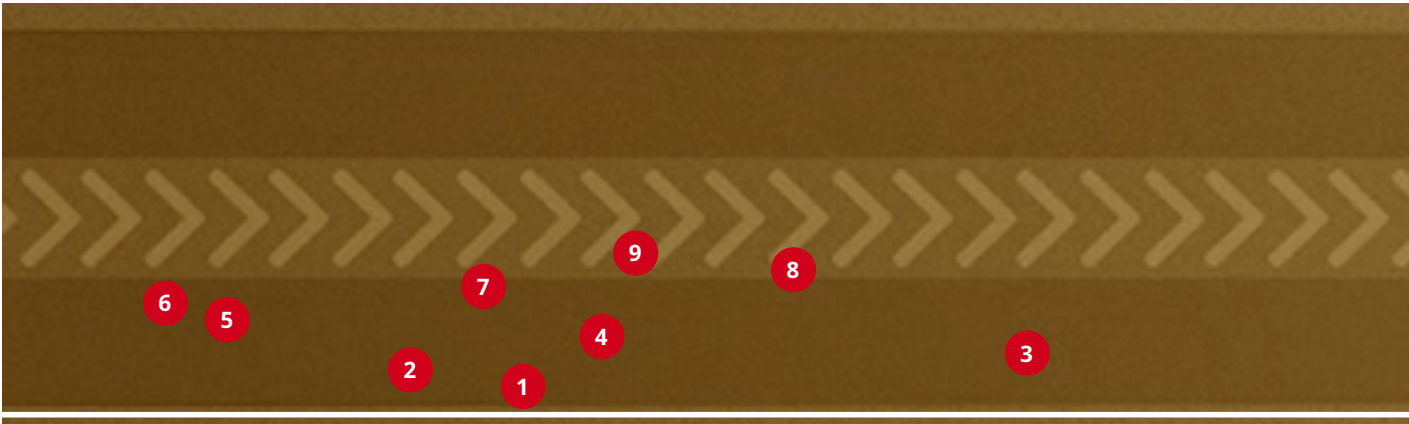

S4-3

三歲以上一捷馬賽，泥地，1800米
3yo and up 1 win, Dirt, 1800m

12:15/13:15

馬號 No.	馬名 Name	檔位 Draw	負磅 Weight	騎師 Jockey	練馬師 Trainer	評分 Rating	評估賠率 Est. Odds

6	海龍王姬 Shigeru Otohime (JPN)	6	123	幸英明 Hideaki Miyuki	谷潔 Kiyoshi Tani	22	42
						Est. Perc.	132%

選馬範圍 Selection Range: WP: 2+9, Q: 2+9+3+8+1
投注策略 Strategy Bets: 2+9WP, 2>1+9+3+7Q, 1+9Q
黑馬 Dark Horses: 9, 1
後上馬 Back Marker: 2 | | | 9 | 1, 5, 6, 7 | 3, 4, 8

分析 Verdict:

2號「贏家寶兒」74分全場最高，後勁亦是全場最好。排2檔有利沿途慳位，但預計留在中後位置，京都泥地1800米首個彎位來得較快，若能早段貼欄取得遮擋，轉入最後兩彎前逐步追近，末段可發揮其後勁優勢。6.67倍下WP值得支持。

9號「反斗星」71分，只比2號低3分，預計位置較2號主動。排9檔需要留意入第一彎前能否順利切入，但若能守在中游而不用長時間走外疊，4.83倍下同樣值得支持WP。其後勁不及2號，較依賴途中走位。

3號「榮進軍神」68分，排3檔，預計可以走在前列，較容易利用內檔慳位。惟今場負128磅，比2號及9號多5磅，後勁亦較弱。3.17倍已相當熱，較適合放在Q配搭考慮。

8號「不滅神馬」由李慕華策騎，預計位置較9號前，但只有56分，後勁亦未見突出。4.13倍之下，與評分較高的主要候選相比，支持理由未算充分。

1號「海雲關」只有39分，但排1檔，後勁較3號及8號好，44.33倍下可作冷門Q腳。7號「高野重霄」48分，預計位置偏後，後勁亦較3號及8號強，若步速有利後上，同樣可爭取加入Q配搭。

賽事取向：2號後勁最強，9號預計走位較主動，兩匹均值得重視WP。

Q取向：Q以2>9+3為主，1、7冷拖2號，1—9作次選。8號仍有爭Q能力，但評分及後勁支持較弱。

投注策略：2號、9號WP；Q：2>1+9+3+7、1+9。

No.2 Jakarta Bao has the highest rating of 74 and the strongest finishing ability in the field. Stall 2 should help Suguru Hamanaka secure cover and conserve ground, although the horse is projected to race towards the rear. A gradual move before the final turn would be preferable to relying on a late burst. At 6.67, he is a worthwhile Win/Place selection.

No.9 Gonta is only three rating points behind and is expected to settle further forward. Stall 9 makes the approach to the first turn important, but a covered midfield position would give him a reasonable opportunity. His 4.83 odds also support a Win/Place bet, though he does not possess Jakarta Bao's finishing strength.

No.3 A Shin Mars is likely to race prominently from stall 3, an advantage on this relatively dry dirt surface. However, he carries 128lb and his finishing strength is weaker. At 3.17, he is better treated as a Quinella contender than the principal Win selection.

No.8 Balios should also race relatively forward, but his rating of 56 and comparatively limited finishing ability make his estimated odds of 4.13 difficult to justify against the stronger-rated rivals.

No.1 Vina Hai Van is a 44.33 outsider, yet stall 1 offers an economical route and his finishing strength compares favourably with A Shin Mars and Balios. No.7 Tagano Altura has similar tactical limitations but enough late ability to warrant secondary Q consideration if the pace develops favourably.

Race View: Nos.2 and 9 are the principal Win/Place contenders, combining different strengths in finishing ability and early positioning.

Q View: No.2 over Nos.9 and 3, with Nos.1 and 7 as outsider partners. The No.1-9 combination is another secondary possibility. No.8 remains competitive but is less compelling on ratings and finishing strength.

Strategy Bets: Nos.2 and 9 Win/Place; Quinella 2-1, 2-9, 2-3, 2-7 and 1-9.

選馬範圍 Selection Range: Q: 5+12+2+1+10
投注策略 Strategy Bets: 5>12+2+1+10Q
黑馬 Dark Horses: 12, 2, 1, 10
後上馬 Back Marker: | 11 | 8, 10 | 5 | 2, 7, 9 | 1, 3, 4, 6, 12

分析 Verdict:

號「樂威霸」77分全場最高，比次席兩匹高6分，由松山弘平策騎，只負121磅。預計居中競走，後勁亦有一定水準。京都2400米使用外圈，途中有較多時間調整位置，若能沿途取得遮擋，在第三彎上斜後逐步加速，末段可以利用較長直路追近。2倍雖然偏熱，但仍是Q做膽最直接的一匹。

12號「情意永牽」71分，與1號「長假期」同分，預計可以走得較前，但排12檔兼負128磅。2400米有時間尋求遮擋，不必一出閘便急於切入；若能避免長時間走外疊，16.33倍下有力爭Q。不過其後勁較弱，不能過早消耗。

1號「長假期」排1檔，只負121磅，預計可以守在前列，沿途慳位較有利。雖然後勁一般，但在快地上若能保持穩定節奏，12.33倍下仍值得重視，尤其5號要由中游追近時，1號有機會先佔有利位置。

2號「日和朗俊」64分，排2檔，同負121磅，預計位置較1號稍後。其後勁不算突出，但有條件沿途慳位，仍是主要Q候選之一。

10號「拍檔」只有59分，預計留得較後，但後勁比5號、1號、2號及12號都強。今日外圈直路較長，只要中段步速合適，騎師能在轉入直路前逐步推進，30.33倍下有機會後上爭Q。

Q取向：Q以5>1+12+2為主，10冷拖5號。

投注策略：Q：5>12+2+1+10。

No.5 Lloyd Webber is clearly the highest-rated runner on 77 and carries only 121lb. He is projected to settle around midfield, where an economical passage and well-timed move over Kyoto's outer 2400m course could allow his finishing ability to come into play. Despite short odds of 2.00, he is the logical Quinella banker.

No.12 Eterno Legame shares a rating of 71 with No.1 Long Holiday and is projected to race prominently. However, stall 12 and a 128lb burden create additional demands. The longer journey offers time to obtain cover, making restraint in the early stages particularly important. At 16.33, he remains a meaningful Q contender.

No.1 Long Holiday has an attractive combination of stall 1, 121lb and a potentially prominent position. His finishing ability is relatively limited, but a ground-saving trip and controlled tempo could allow him to remain competitive at 12.33.

No.2 Nihonpiro Roger also has a favourable inside draw and carries 121lb. His rating of 64 places him below the leading three, but an economical passage keeps him in consideration for the Quinella.

No.10 Buddy is an interesting outsider at 30.33. His rating of 59 is modest, yet his finishing strength is better than those of the other principal Q candidates. The longer outer-course straight gives him an opportunity if he can begin advancing at the right time rather than leaving his challenge too late.

Q View: No.5 over Nos.1, 12 and 2, with No.10 a speculative late-running partner for No.5.

Strategy Bets: Quinella 5-12, 5-2, 5-1 and 5-10.

選馬範圍 Selection Range: WP: 4, Q: 4+3+8+5
投注策略 Strategy Bets: 4WP, 4>3+8Q
黑馬 Dark Horses: 4
後上馬 Back Marker: | 3 | 1, 2, 4 | 8 | 5, 6, 7

分析 Verdict:

4號「假面花」59分，雖然比8號「沙丁狂奔」低14分，但有24倍，而且後勁比8號強。排4檔較易慳位，預計可在中游附近競走。京都1600米使用外圈，直路較長，只要途中取得遮擋，在第三彎後掌握好加速時機，末段有機會挑戰前列馬，WP值得博冷。

3號「月牽絆」70分，後勁全場最好，排3檔亦有利取得合適位置。預計可以守在4號稍前，若途中步速合適，末段有力保持競爭力。不過2.54倍已相當熱，與4號的24倍相比，兩匹賠率差距明顯，Q配搭應以3號作主要對手。

8號「沙丁狂奔」73分全場最高，由李慕華策騎，預計位置較前。快地上若能順利控制步速或守在前列，仍有相當威脅。不過2.29倍，加上後勁較3號及4號弱，若早段受到壓力，末段未必可以輕鬆抵擋追兵。

5號「柔情輕奏」56分，有8.33倍，預計位置較上述主要對手稍後，後勁亦較弱。雖然評分與4號只差3分，但在今場外圈1600米，4號的後勁及24倍更值得重視。

賽事取向：4號是主要WP冷門，3號與8號則是較重要的實力對手。

Q取向：Q以4>3+8為主。

投注策略：4號WP；Q：4>3+8。

No.4 Alonsoa is rated 59, some 14 points below top-rated Sardine Run, but the estimated odds of 24 make him a compelling outsider. He has better finishing strength than the favourite and should be able to settle around midfield from stall 4. Kyoto's outer 1600m course provides sufficient straight for a sustained challenge, provided Kenji Kawamata can secure cover and time his move effectively. He is the Win/Place selection.

No.3 Lien Mahina, rated 70, has the strongest finishing ability in the field. Stall 3 and a projected position just ahead of Alonsoa should make it easier to secure an economical trip. His 2.54 odds are much shorter, but he is a major Quinella threat.

No.8 Sardine Run leads the ratings on 73 and is expected to race prominently under Christophe Lemaire. He has an obvious tactical advantage if the early tempo is manageable. Nevertheless, his finishing strength is inferior to that of both Alonsoa and Lien Mahina, making 2.29 a demanding price if the leaders come under pressure.

No.5 Con Tenerezza is only three rating points behind Alonsoa but is projected to settle further back and has weaker finishing ability. At 8.33, he is less persuasive than the longer-priced Win/Place selection.

Race View: No.4 is the principal Win/Place outsider, with Nos.3 and 8 setting the main opposition.

Q View: No.4 over Nos.3 and 8.

Strategy Bets: No.4 Win/Place; Quinella 4-3 and 4-8.

投注策略 Strategy Bets: 7P, 9+4+3+7Q
黑馬 Dark Horses: 7, 3
後上馬 Back Marker: | | 7, 9 | 4, 10 | 1, 2, 3 | 5, 6, 8

分析 Verdict:

7號「福至運來」只有48分，但有51倍，後勁與9號「激賞光」同組，較其餘主要Q候選強。預計留在後列，今日泥地1800米較重視途中慳力及持續推進，若前列馬早段爭位較急，7號有機會在末段逐步追近。不過留後跑法始終需要步速配合，51倍下P值得博冷。

9號「激賞光」78分全場最高，只負119磅，預計可以走在前列，後勁亦強。雖然排9檔，早段需要盡快取得合適位置，但較主要對手4號「舞王」輕9磅。若能在首個彎位前切入而不需過度催策，2.63倍仍是最主要的爭勝馬匹。

4號「舞王」77分，只比9號低1分，排4檔較易慳位。預計在中游附近競走，後勁稍遜9號及7號，但較容易避開前列爭位。負128磅是主要考驗，3.78倍下仍具爭Q能力。

3號「眾心」65分，排3檔，預計可以守在前列附近，有利減少早段走位消耗。8.83倍下值得納入Q配搭，但後勁不及9號及7號，若前段步速過快，末段可能較難保持速度。

10號「好氣魄」預計居中，後勁不俗，但只有50分，與9號及4號存在明顯評分差距。若步速有利，仍可能加入前列爭持。

賽事取向：7號在51倍下是主要P冷門，9號則兼具評分、負磅及後勁優勢。

Q取向：Q以9>4+3+7為主，4、3、7之間亦可互穿。

投注策略：7號P；Q：9、4、3、7四匹互穿。

No.7 Fukukita Tailor is rated only 48 but has finishing strength comparable with top-rated Hosho Lux. At estimated odds of 51, he offers an interesting Place opportunity. He is projected to settle towards the rear, so a strong early pace would improve his prospects. The key will be making sustained progress before the home straight rather than relying entirely on a late sprint.

No.9 Hosho Lux leads the ratings on 78, carries only 119lb and is expected to race prominently. His finishing ability is also among the strongest in the field. Although stall 9 presents some risk around the relatively early first turn, he has a 9lb weight advantage over No.4 Show Dancer and remains the principal winning contender at 2.63.

Show Dancer is rated 77 and starts from stall 4, giving him an opportunity to save ground and settle behind the early leaders. His finishing strength is slightly inferior to that of Hosho Lux and Fukukita Tailor, while the 128lb burden is another consideration. Nevertheless, he is a major Quinella contender.

No.3 Pod Volk should race prominently from stall 3. An economical early passage would suit him, although his weaker finishing ability makes him vulnerable if the leaders set demanding fractions. At 8.83, he remains an important Q runner.

No.10 Mahatma Bel has reasonable finishing ability and a projected midfield position, but his rating of 50 is considerably below those of the leading two. He is a possible tactical rival rather than a central selection.

Race View: No.7 is the principal outsider Place selection at 51, while No.9 is the strongest overall contender.

Q View: No.9 over Nos.4, 3 and 7, with combinations among Nos.4, 3 and 7 also included.

Strategy Bets: No.7 Place; four-horse Quinella box of Nos.9, 4, 3 and 7.

選馬範圍 Selection Range: W: 6, Q: 6+8+3+12+13+16
投注策略 Strategy Bets: 6W, 6+8+3+12+13+16Q
黑馬 Dark Horses: 6, 3, 12, 13, 16
後上馬 Back Marker: | 3 | 4, 6, 12 | 8 | 1, 5, 9, 13, 14, 16 | 2, 7, 10, 11, 15, 17

分析 Verdict:

8號「絕色飛步」79分全場最高，預計可以守在前列附近，排8檔亦不算太難處理。京都2000米使用內圈，直路只有約328米，能夠及早佔據有利位置非常重要。8號的評分及走位都具優勢，但1.3倍已極熱，而後勁並非全場最好，W不宜單憑最高評分便追捧。

6號「美風景」74分，只比8號低5分，有11倍，後勁較8號強。排6檔，預計在中游附近競走，較容易尋求遮擋。今日2000米最重要是不能等到入直路才開始追趕，若荻野極能在第三彎前後逐步推進，借下坡之勢追近前列，末段有機會挑戰8號。11倍下W值得支持。

3號「新貴傑作」75分，後勁全場最好，是另一匹不能忽視的冷門馬。排3檔由武豐策騎，有利沿途慳位，但預計留得較後，在17匹馬的大場合中容易遇上交通問題。若能及時移出取得空位，16倍下有力後上爭勝；只是內圈直路較短，對發力時機要求較高。

12號「聖馬運河」67分，後勁與6號相若，預計位置較6號前。排12檔需要留意早段能否取得遮擋，避免在第一彎前走多路程。若能順利守在中前位置，15倍下有機會在末段與主要對手爭持，是重要Q腳。

13號「夢之最」同評67分，由李慕華策騎，預計可以守在中前位置附近。6.5倍較其他冷門候選熱，後勁亦不及3號、6號及12號。排13檔若未能及早切入，途中額外消耗可能影響末段發揮，但仍有爭Q能力。

16號「先行女子」63分，預計可以走得較前，34倍下有一定冷門機會。不過排16檔，在17匹馬的2000米賽事中需要盡快尋找遮擋；若為了取得前列位置而過度搶放，末段後勁未必足以應付主要對手。

賽事取向：8號仍是最高評分及走位較有利的一匹，但1.3倍太熱。6號在11倍下值得支持W，3號則是後勁最強的主要威脅。

Q取向：Q以8>6+3+12為主，13、16再拖8、6，6—3及6—12亦值得重視。

投注策略：6號W；Q：6、8、3、12、13、16六匹互穿。

No.8 Monroe Walk sets the standard with a rating of 79 and is projected to race prominently. That is a significant advantage over Kyoto's inner 2000m circuit, where the home straight is relatively short. Stall 8 should be manageable, but estimated odds of just 1.30 are extremely demanding, particularly as several rivals possess stronger finishing ability.

No.6 La Belle Scene is rated 74 and offered at 11. She has better finishing strength than Monroe Walk and is expected to settle around midfield from stall 6. An economical passage followed by a gradual move around the final two turns would give her an opportunity to challenge the favourite. The timing of that move will be crucial, but her odds make her the preferred Win selection.

No.3 Master Soarer is rated 75 and has the strongest finishing ability in the race. Stall 3 offers Yutaka Take an opportunity to save ground, although the projected rearward position introduces traffic and timing risks in this 17-runner field. A clear passage before entering the straight could make her a serious threat at 16.

No.12 Canal Saint Martin is rated 67 and has finishing strength comparable with La Belle Scene. She is expected to race further forward, which could prove valuable on the inner course. Stall 12 is the main concern, as securing cover before the first turn may require careful handling. At 15, she remains an important Quinella candidate.

No.13 Dream Core shares the same rating of 67 and has Christophe Lemaire aboard. A potentially forward position supports her chances, but stall 13 and weaker finishing ability make her less convincing than the principal late-running contenders. Her odds of 6.50 are also much shorter.

No.16 Hayabusa Sakichan is projected to race relatively prominently and has outsider interest at 34. However, stall 16 makes the early stages particularly demanding. Using too much energy to secure position could leave her vulnerable in the closing stages.

Race View: No.8 is the leading-rated contender, but No.6 is the preferred Win selection at 11. No.3 provides the strongest late-running threat.

Q View: No.8 over Nos.6, 3 and 12, with Nos.13 and 16 as additional partners for Nos.8 and 6. The 6-3 and 6-12 combinations are also important.

Strategy Bets: No.6 Win; six-horse Quinella box of Nos.6, 8, 3, 12, 13 and 16.

黑馬 Dark Horses: 9, 2

後上馬 Back Marker: | | 6, 8, 9 | 4 | 1, 2, 3, 5, 10, 12 | 7, 11

分析 Verdict:

9號「笙歌夜宴」68分，只比最高評分低9分，有26倍，而且後勁與6號及8號同組，較其餘主要Q候選強。預計留在中後位置，今日泥地1400米由草地起步，初段容易出現較快步速。若前列馬爭位過急，9號有機會在末段追近，26倍下P值得支持。不過需要在轉入直路前已逐步加速，不能留得太後。

5號「杜鵑春開」77分全場最高，只負119磅，排5檔由坂井瑠星策騎。預計可以守在中前位置，較容易取得遮擋，配合今日泥地1400米的走位要求，是主要Q做膽候選。不過後勁不及9號，若前段步速太快，末段仍有被追近的可能。

2號「白山蝶花」75分，只比5號低2分，排2檔有利慳位，預計位置亦較5號主動。5.03倍下具競爭力，尤其若能在前列取得遮擋，不必額外消耗，末段較容易保持速度。與5號是最主要的Q對手。

3號「常伴身邊」64分，排3檔，預計可以守在中前位置附近。其後勁一般，但有利減少途中走位消耗。10.33倍下仍可納入Q配搭。

10號「杏仁糖」65分，有4.87倍，預計位置較5號及2號稍後，後勁亦未見突出。雖然評分略高於3號，但賠率較熱，Q應放在次要位置。

12號「低音轟雷」預計可以走在前列，但只有39分，排12檔需要留意能否順利切入。若與其他前列馬互相爭位，可能令早段步速加快，反而為9號這類後上馬創造機會。

賽事取向：9號是26倍下的主要P冷門；5號及2號則具較佳評分與預計走位。

Q取向：Q以5、2、9三匹互穿為主，3、10再拖5、2、9，3—10作次選。

投注策略：9號P；Q：5、2、3、9、10五匹互穿。

No.9 Kitano Soiree is rated 68, only nine points below the top figure, and has finishing strength comparable with Nos.6 and 8, stronger than that of the other principal Q selections. At estimated odds of 26, he is an attractive Place outsider. He is expected to settle towards the rear, so a strongly contested opening pace would be helpful. Kyoto's dirt 1400m starts on turf, increasing the possibility of early speed pressure.

No.5 Morning Magic leads the ratings on 77 and carries only 119lb. From stall 5, Ryusei Sakai should have an opportunity to establish a covered position within the first half of the field. This makes her a leading Quinella contender, although her finishing strength is not as strong as Kitano Soiree's.

No.2 Hakusan Iris is rated 75 and benefits from stall 2. She is projected to race more prominently than Morning Magic and could enjoy an economical trip close to the pace. At 5.03, she is a major Q contender, particularly if the early leaders do not expend excessive energy.

No.3 Ask I'll Be There is rated 64 and has a favourable draw in stall 3. A position just behind the leaders would give him a reasonable chance to remain competitive, despite less impressive finishing ability. His 10.33 odds make him a useful Quinella partner.

No.10 Turron is rated 65 and is expected to settle behind Morning Magic and Hakusan Iris. His finishing strength is relatively ordinary, while his odds of 4.87 are shorter than those of several comparable runners. He remains a secondary Q candidate.

No.12 Thunder Bass is projected to race prominently from stall 12. His lower rating of 39 makes him less appealing as a selection, but his involvement in the early pace could influence whether the race develops favourably for Kitano Soiree.

Race View: No.9 is the principal Place outsider at 26, while Nos.5 and 2 have stronger ratings and potentially advantageous early positions.

Q View: Nos.5, 2 and 9 form the main three-horse combination. Nos.3 and 10 are additional partners for all three, with 3-10 a secondary combination.

Strategy Bets: No.9 Place; five-horse Quinella box of Nos.5, 2, 3, 9 and 10.

如何閱讀《MA288 海外賽事分析》（快速參考）

建議按以下次序閱讀，先掌握整體賽事環境，再逐步了解個別馬匹的分析重點。

建議閱讀順序：

1. 場地分析
 - 了解當日場地、天氣及跑道狀況。
 - 留意哪些跑法及走位條件較有利發揮。
2. 市場評估與黃色標示
 - 比較不同市場對各駒的評價差異。
 - 黃色底代表市場之間出現較明顯的不同看法，可作進一步觀察。
3. Est. Perc（賽事層面指標）
 - 用作理解整場賽事的整體不確定性。
 - 此指標反映賽事層面，並非個別馬匹的實力評分。
4. 評分與紅色字
 - 評分主要用作同場馬匹之間的相對比較。
 - 紅色字代表不同分析角度出現較一致的訊號。
5. 跑法與走位圖
 - 顯示馬匹過往較常見的跑法及預計位置。
 - 建議配合當日場地分析一併閱讀。
6. 精選提供與黑馬
 - 綜合評分、賽事形勢及不同分析指標整理出的重點觀察對象。
 - 可配合前述各項資料，快速掌握值得留意的馬匹。

How to Read the MA288 Overseas Racing Analysis (Quick Reference)

For the clearest overview, start with the overall race conditions before moving on to individual runners and key observations.

1. Track Analysis
 - Review the day's track, weather and surface conditions.
 - Identify which running styles and race positions may be better suited to the conditions.
2. Market Assessment & Yellow Highlights
 - Compare how different markets assess each runner.
 - Yellow highlights indicate notable differences in market assessment and may warrant closer attention.
3. Est. Perc (Race-Level Indicator)
 - Helps indicate how open or uncertain the race appears overall.
 - This is a race-level measure and does not represent the strength of any individual runner.
4. Ratings & Red Text
 - Ratings are intended for relative comparison between runners in the same race.
 - Red text highlights areas where different analytical perspectives show stronger agreement.
5. Running Style & Position Charts
 - Show each runner's typical racing pattern and likely position.
 - These are best interpreted together with the Track Analysis.
6. Selections & Long Shots
 - Key runners identified from the overall analysis, race conditions and supporting indicators.
 - Use these alongside the preceding sections to quickly identify runners that merit closer attention.
