人馬錦標 - 2026 年 9 月 6 日

Centaur Stakes – 6 September 2026

日本阪神競馬場 – 草地 - 好至快地

Hanshin, Japan – Turf - Good to Firm

今日賽事焦點

阪神今日草地為好至快地，場地回彈直接，但最後約 200 米上斜仍會放大早段耗力。早段草地賽果顯示走勢主要受步速影響，前領、跟前及留後馬都有機會；內檔暫時較有慳位效率，但未形成固定前置偏差。今日風勢較明顯，較理想是有遮擋守位，入直路前已建立勢頭，再靠持續速度完成末段。

S2-1 | 5 號「鑽形結」81 分全場最高，7.33 倍有吸引力，預計守中前位置，後勁亦屬較強一批，整體條件最完整。3 號「疾速刺擊」79 分但已熱至 3.07 倍，9 號「純魔法」亦會走得較前，兩匹若互相牽制，會增加後面馬追上的機會。1 號「大海女神」10 倍有一檔之利；16 號「玉藻飛翼」30.33 倍兼後勁較強，是值得冷拖的 Q 腳。

Meeting Highlights

Hanshin is racing on Good to Firm turf, where efficient energy return supports acceleration, although the demanding rise inside the final 200m still punishes runners that spend too much energy early. The turf results so far have been strongly pace-dependent rather than showing a fixed front-running bias. Inside draws have been efficient for saving ground, while cover and momentum should remain important in the fresh breeze.

S2-1 | No. 5 Diamond Knot is top-rated on 81 at 7.33 and combines a forward-to-midfield position with strong finishing ability, giving him the most complete profile. No. 3 Flicker Jab is only two points lower but is much shorter at 3.07, while No. 9 Puro Magic is another likely forward runner with weaker late-running figures. If the early pace becomes competitive, that should favour Diamond Knot. No. 1 Mama Cocha has stall 1 at 10.0, while No. 16 Tamamo Icarus is the bigger-priced runner to note at 30.33 with a strong finishing profile.

日本阪神競馬場場地分析 — 2026 年 9 月 6 日

場地狀況：草地 - 好至快地 | 27°C | 多雲，稍後有驟雨 | 濕度約 60% | 東北偏東風 5 至 6 米/秒

阪神右轉草地內圈彎位較緊，外圈直路則長達約 474 米，兩者末段均先微落再接最後約 200 米上斜。好至快地能量回彈直接，利於加速，但末段上斜仍會放大早段耗力。今日東北偏東風較明顯，外露位置風阻增加；午後若開始下雨，草地抓地及回彈會逐步改變。

暫時草地走勢並無固定前置偏差。1400 米早場步速偏快，留後馬可由包尾追上；2000 米則由前領控制到底；1800 米外圈慢步速轉直路鬥爆發，跟前守位馬最有效。反映騎師應以步速決定推進時機，逆風位置盡量借遮擋，入直路前先建立勢頭，再利用後勁延續速度。

截至第五場的三場草地，勝出馬均屬較內檔，但走法分別有前領、跟前及留後，暫未形成單純內欄前置偏差，較像慳位帶來的地面效率。內圈直路較短，守位及轉彎慳位尤其重要；1600 及 1800 米外圈則容許居中或留後馬逐步推進。若稍後雨勢增強，要留意內欄反覆使用後是否開始受損。

較有利走法是有遮擋守位、轉彎保持平衡，並能持續加速的類型。最大戰術關鍵是判斷步速而非硬搶前列，目前內檔有慳位優勢但未屬強烈偏差。今日最大變數是風勢與午後雨水，場地一旦吸水，後段形勢可能由短促爆發轉向較重視持續速度及末段平衡。

Hanshin Racecourse Track Analysis – 6 September 2026

Track Condition: Turf - Good to Firm | 27°C | Cloudy, showers developing later | Humidity ~60% | ENE Wind 5–6 m/s

Hanshin's right-handed turf combines relatively tight inner-course geometry with a much longer 473.6m outer-course straight, while both configurations descend gradually before the demanding rise inside the final 200m. Good-to-Firm ground is returning energy efficiently and supporting fast acceleration, but the finishing climb still punishes runners that expend too much energy early. The fresh east-northeasterly wind increases aerodynamic resistance on exposed sections, while showers expected later could progressively reduce firmness and alter lane efficiency.

The available turf results show a notably pace-dependent surface rather than a fixed front-running bias. The opening 1400m was won from last after a strong early tempo, while the 2000m winner controlled the race from the lead. The 1800m outer-course event developed slowly before a sharp sprint, with the winner sitting just behind the pace and producing a very fast closing sectional. This suggests riders should judge tempo rather than force position: cover and rhythm are valuable in the wind, with acceleration best delayed until momentum is established approaching the straight.

Low draws have won all three completed turf races available through Race 5, but the winners have come from the lead, stalking positions and the rear, so there is not yet evidence of a simple inside/front-running bias. The pattern instead points toward ground-saving efficiency. Inner-course races reward economical positioning because the shorter straight reduces recovery time, whereas 1600m and 1800m outer-course races provide considerably more opportunity for midfield and held-up runners to build sustained speed. If rain arrives, repeated inner-lane use should be monitored closely for deterioration.

The favoured profile is therefore a runner able to conserve energy in cover, maintain balance through the turns and accelerate without losing momentum. The key tactical factor is pace judgement rather than early track position, with inside efficiency currently useful but not dominant. The most important race-day influence is the approaching rain combined with the strong breeze: if the turf begins to take moisture, later races could shift away from pure burst acceleration toward sustained speed and stronger finishing balance.

S2-1 人馬錦標, 二級賽, 草地, 1200 米

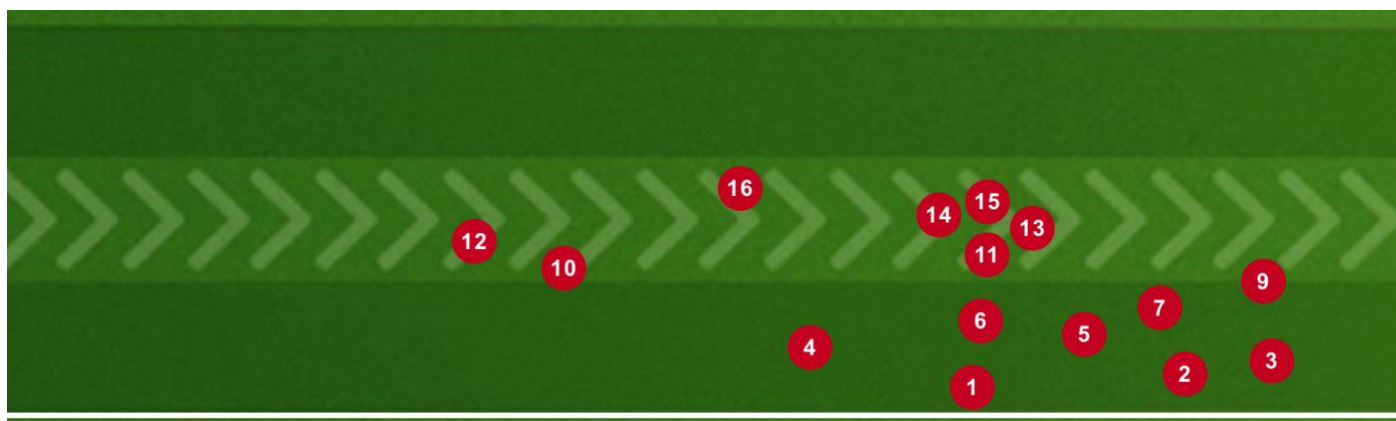

14:30/15:30 Centaur Stakes, Grade 2, Turf, 1200m

精選提供 Tips : 5WP, 3+5+9+1+8+16Q

黑馬 Dark Horses: 1, 16

後上馬 Back Marker: 12 | 10, 16 | 4, 5 | 1, 3, 7, 11, 13, 14, 15 | 2, 6, 9

分析 Verdict:

5 號「鑽形結」評 81 分全場最高，7.33 倍有吸引力。預計守在中前至中間位置，唔需要跟 9 號「純魔法」、3 號「疾速刺擊」一齊搶前，而且後勁亦屬較強一批。今日阪神好至快地，1200 米講求早段慳力及入直路前保持勢頭，5 號既有評分優勢，又可以避開前面可能出現的步速壓力，今場 WP 值得支持。

3 號「疾速刺擊」79 分只低兩分，3.07 倍已較熱，但預計可以走得相當前，若早段步速控制得好，仍然係最主要對手。9 號「純魔法」69 分、4.87 倍，同樣會走在前列，但後勁指標偏弱；如果 3、9 兩匹互相牽制，末段會增加被後面馬追上的機會。8 號「舉步生風」66 分、3.85 倍，評分略低，而且走位及後勁資料較少，賠率未算特別吸引。

冷門可留意 1 號「大海女神」及 16 號「玉藻飛翼」。1 號 60 分有 10 倍，一檔有利慳位，雖然預計位置較後，但唔需要走外疊；16 號只有 59 分但有 30.33 倍，後勁指標排得相當前，若步速夠快兼能在外檔找到遮擋，末段有機會追近，可冷拖 Q 腳。

投注以 5 號 WP。

Q 以 5>3+9+1+8+16。

5 號勝在評分最高、賠率較合理，而且走位比前領馬更有彈性；若前面 3、9 鬥得較快，5 號會更容易在直路發揮。

No. 5 Diamond Knot is top-rated on 81 and 7.33 offers an attractive price. He should settle around a forward-to-midfield position rather than being drawn into the early speed battle, and he also owns one of the stronger late-running profiles. On Good to Firm ground over 1200m, that balance between position and finishing strength makes him the preferred Win-Place selection.

No. 3 Flicker Jab is only two points lower on 79 but is much shorter at 3.07. He should race prominently and remains the main danger if able to control his early effort. No. 9 Puro Magic is also expected to race close to the lead, but her late-running figures are weaker, so a strong early contest between the forward runners could leave both vulnerable late. No. 8 Fast Network is rated 66 at 3.85, although the available pace and finishing data provide less support at that price.

No. 1 Mama Cocha is worth noting at 10.0 from stall 1, which should help save ground despite a more patient position. No. 16 Tamamo Icarus is the bigger-priced outsider at 30.33 and ranks strongly for late-running ability. If the early pace is genuine and he can find cover from the wide draw, he has the finishing strength to get involved.

The main play is No. 5 Win-Place.

For Quinellas: 5 > 3 + 9 + 1 + 8 + 16.

如何閱讀《MA288 海外賽事分析》（快速參考）

建議按以下次序閱讀，先掌握整體賽事環境，再逐步了解個別馬匹的分析重點。

建議閱讀順序：

1. 場地分析（第 2 頁）
 - 了解當日場地、天氣及跑道狀況。
 - 留意哪些跑法及走位條件較有利發揮。
2. 市場評估與黃色標示
 - 比較不同市場對各駒的評價差異。
 - 黃色底代表市場之間出現較明顯的不同看法，可作進一步觀察。
3. Est. Perc（賽事層面指標）
 - 用作理解整場賽事的整體不確定性。
 - 此指標反映賽事層面，並非個別馬匹的實力評分。
4. 評分與紅色字
 - 評分主要用作同場馬匹之間的相對比較。
 - 紅色字代表不同分析角度出現較一致的訊號。
5. 跑法與走位圖
 - 顯示馬匹過往較常見的跑法及預計位置。
 - 建議配合當日場地分析一併閱讀。
6. 精選提供與黑馬
 - 綜合評分、賽事形勢及不同分析指標整理出的重點觀察對象。
 - 可配合前述各項資料，快速掌握值得留意的馬匹。

How to Read the MA288 Overseas Racing Analysis (Quick Reference)

For the clearest overview, start with the overall race conditions before moving on to individual runners and key observations.

1. Track Analysis (Page 2)
 - Review the day's track, weather and surface conditions.
 - Identify which running styles and race positions may be better suited to the conditions.
2. Market Assessment & Yellow Highlights
 - Compare how different markets assess each runner.
 - Yellow highlights indicate notable differences in market assessment and may warrant closer attention.
3. Est. Perc (Race-Level Indicator)
 - Helps indicate how open or uncertain the race appears overall.
 - This is a race-level measure and does not represent the strength of any individual runner.
4. Ratings & Red Text
 - Ratings are intended for relative comparison between runners in the same race.
 - Red text highlights areas where different analytical perspectives show stronger agreement.
5. Running Style & Position Charts
 - Show each runner's typical racing pattern and likely position.
 - These are best interpreted together with the Track Analysis.
6. Selections & Long Shots
 - Key runners identified from the overall analysis, race conditions and supporting indicators.
 - Use these alongside the preceding sections to quickly identify runners that merit closer attention.
